

Spring Term

Maths

In Maths the children will be building on their learning about Place Value. The children will be using this knowledge to develop their understanding of addition and subtraction within 20. You can help at home by counting both forwards and backwards as well as discussing the two numbers that make a whole.

English

The children in Year 1 are writing about "Who We Are". We are building on using a capital letter and full stop for each sentence, who . Please ensure you are reading daily with your child and rehearsing their speedy sounds regularly!

Science

The half term we will be exploring Materials. The children will be identifying and naming common materials and their properties. They will be exploring a range of materials, how they are made and what purposes they hold. We will be having an exciting workshop to support this learning later this term from Peterborough City Council.

Geography & History

We will be exploring the United Kingdom. They will be learning about the four countries and their flags, capital cities as well as traditional dishes and popular tourist attractions. In History this term we will be learning about transport from the past. Exploring the Luna landing and the invention of the aeroplane amongst other vehicle's history.

PSHE & RE

Children will be learning all about their safe adults in PSHE and sharing their thoughts and ideas through class discussions. In RE we will be asking the children 'Who made the world?'. We will be exploring the stories of creation from a range of religions as well as discussing what questions the story makes us ask.

PE

PE day will be a **Friday** in Year 1 and the children will need to attend school in tracksuit bottoms, black/dark trainers, school polo top or t-shirt and a navy jumper. Please ensure they have a bottle of water too.

Not forgetting book bag Fridays!
