How many animals do you see?

From the Headteacher's Office...

hi

Message from Mrs McGonigle and Mr Fry

Dear Parent/ Carer,

It has been a hive of activity at Middleton over the past few weeks. Last week we sent our Year 5 children to a Young Explorers residential and they absolutely loved it, and this week started on such a positive. On Monday we sent the whole of Year 1 to Sacrewell Farm and for many of them, it was their first experience of travelling on a coach and some their first time visiting a farm. On Tuesday, we sent our Year 3 children to a Farm Camp residential in beautiful Rutland with vast fields and activities that both challenged and excited. On Wednesday and Thursday our Year 6 children went to their secondary school, many of them to our PKAT secondary sister school; Jack Hunt School for Wednesday and a further day for many on the Thursday.

Please talk to your children about online safety and being safe online. This should be treated in exactly the same way that you would safeguard your children by not allowing them to simply talk to strangers in the park, we are doing work on this in school but would value this being reinforced at home too. E-safety is a huge feature in our curriculum to ensure all children understand how to protect themselves online and what to do if they feel unsafe and as all Year 5 and all Year 6 have a one-to-one school iPad they take home, we are mindful of our duty to safeguard 'beyond the school gates'. Please continue to monitor who your children are speaking to online (iPad, phone, PC or tablet), place parent controls and passwords and check viewing history of websites and images viewed. Please speak to a member of staff in school if you have concerns or would like support with this.

We strive to have excellent relationships with our parents and carers as we consider this a partnership in supporting our wonderful children and we always appreciate feedback. Please speak to us on the playground or get in touch via the Main office if you would like to speak to a senior member of staff; we would love to hear from you. If you have positive experiences or something to share, we absolutely welcome hearing this. Please complete our surveys.

We continue to pray for all those families engaged in or threatened by war or conflict anywhere in the world.

Have a wonderful weekend and whatever you do, be kind.

Best wishes, Mrs McGonigle and Mr Fry

Proud to serve the local & wider community.

Injuriestside of school

(outside of school)

If your child has an injury, such as a broken bone, please do let us know as soon as possible. We will need to put a care plan in place before they return to school.

Illness/Other Absences

If your child is ill, please **email** or **cal** the school office on **01733 262696** and select option 1 to leave a message.

The absence line is available 24/7.

Healthy snacks & water bottles

Children can bring in a healthy snack to have at break time. This **MUST NOT** be chocolate or nuts – we are a nut free school.

Children **must** bring in a named water bottle.

NOW OPEN

PLEASE READ FOR MORE INFORMATION

Celebration Assemblies with parents

From Monday June 20, Celebration Assemblies will be starting again in school. These will be alongside our Feelgood Friday Assemblies and our weekly singing assemblies.

Celebration Assemblies will be an opportunity for parents to come into school and share in their children's successes.

If your child has received an award, you will be notified by the class teacher. Please come to the main office at 2.40 to sign in and you will be taken to either the KS1 or KS2 hall. Please collect your child from their classroom as usual at the end of the day.

These assemblies are much loved by the children, and we are thrilled to see them return.

Open Classrooms All classrooms in all Year Groups

Monday 11 July

Tuesday 12 July

Thursday 14 July

Welcome to our Year 1 Assembly

Sacrewell Farm

On Monday we hopped on a coach to Sacrewell Farm to learn more about living things and non-living things.

We saw alpacas, peacocks, sheep, horses and a mummy pig with her ten piglets!

We played on the adventure playground and cooled down with an ice lolly.

We had the BEST time, and we made some amazing memories.

This term we have been exploring the life of Paddington Bear. We have found out so much about him!

- His favourite sandwich filling is MARMALADE.
- He wears a blue duffle coat.
- He comes from Peru, in South America.
- He moved to London in England which is in Furone

Over the last six weeks we have had some amazing experiences as part of Paddington's Passport such as:

- Making marmalade sandwiches in D&T
- Tasting exotic fruit in Geography
- Designing our own passport in PSHE
- Listening to Peruvian flute music
- Learning about Michael Bond, the author of Paddington.

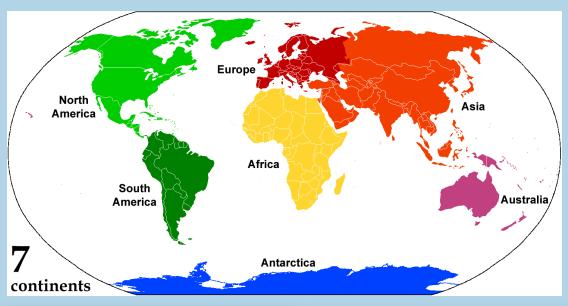

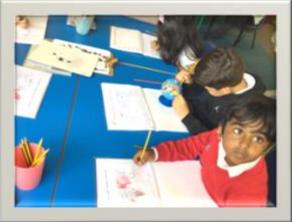

One of the biggest parts of our learning in Geography is finding out about the continents of the world.

Let us tell you what they are from BIGGEST to smallest in the form of a song.

Once we knew about the continents, we moved on to learning about the five oceans of the world.

We knew that Paddington had to travel across the Atlantic Ocean, so we wanted to find out about others.

They are...

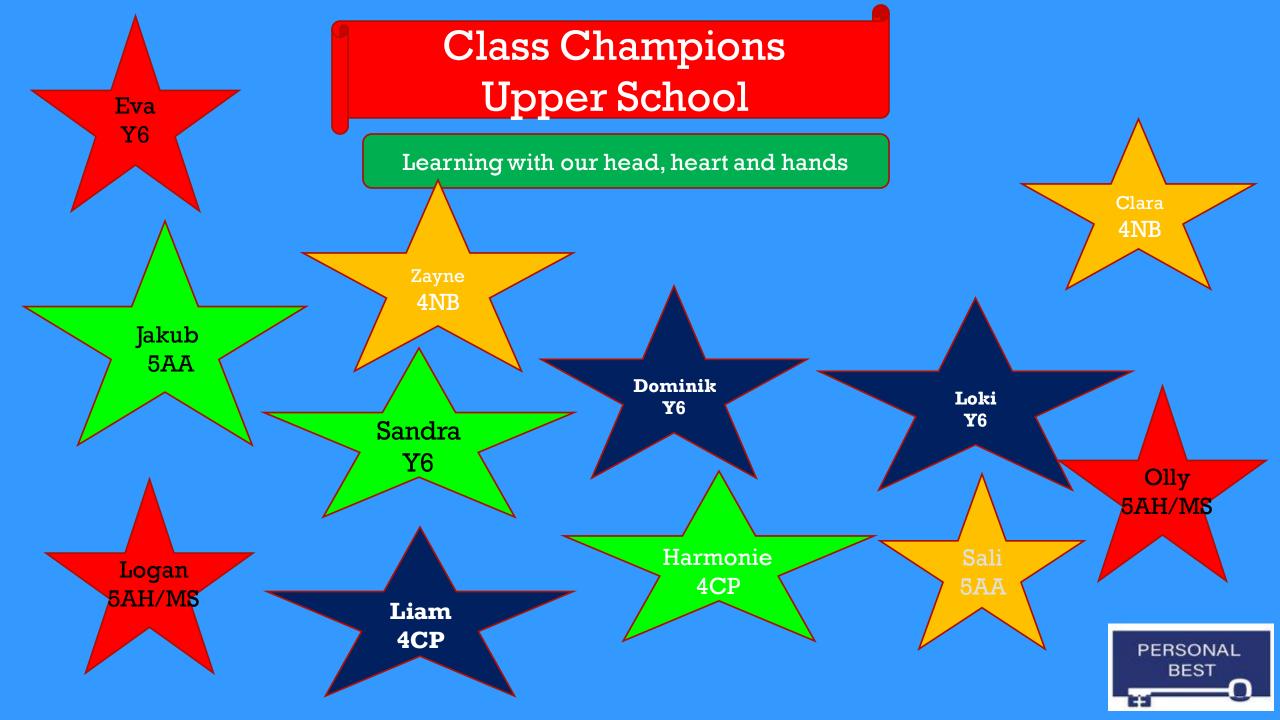

We then tracked Paddington's journey from Peru in South America, all the way to London in England.

We discover it would have been far quicker for Paddington to travel by plane than by a boat... he would have needed less marmalade sandwiches.

Clara I from 4NB class can write in four languages!

If your child achieves a 'Personal Best' out of school, please email a photo to office@mps.pkat.co.uk so we can share their wonderful achievements on this page every week.

Lilliannah from 2KB received two medals in karate!
