

Fantastic Friday Newsletter

Friday 25 November

Dear Parents/Carers,

The next newsletter we write will be in December. It is incredible to think that we are approaching the last month of the year. At this time of the year, it is so important that we think about those around us who may be struggling and those across the world who face war and hunger. Staff have been collecting items to make Christmas boxes to send over to Ukraine and we are talking with the children and thinking about those who are so much less fortunate than ourselves.

Thank you for all your responses to our questionnaire about the possibility of changing the school name. We have also asked for the opinions of staff and pupils and we will be discussing this with Governors next week.

The rationale behind the possible name change is not about forgetting the past and wonderful school that Middleton Primary has always been, but more about embracing a new future where the children are surrounded by a culture of aspiration and possibility from the name of the school, the school logo, class names and the school song all linking together. We will keep you up to date with any developments.

Years 2, 3 and 4 had a wonderful time on Tuesday watching the production of Snow White together in the hall. It was full of lights, songs and costumes and was a really wonderful way for the children to spend the afternoon.

Please see below the list of reminders of all the exciting things happening in school between now and the Christmas break.

Thank you for all you do to continue to support your children and the school.

Mrs McGonigle
Headteacher

Ambitious and Proud
