

Middleton – Ambitious and Proud

Fantastic Friday Newsletter

Friday 23 September

Dear Parents/Carers,

We have had a wonderful week in school!

The Reception children have settled in to their new routines in school and this week started their daily phonics lessons. They will be coming home proudly displaying their new sound of the day stickers on their uniforms, Please practice this sound at home as well as sharing story books with your child which they can choose from the book corner.

Year 1 have continued to learn about toys from the past in their history topic and shared their learning with their families in assembly this afternoon.

Our Year 2 writers have written wonderful stories about Traction Man and his evil enemy called Dishcloth. We are very proud of the progress the children are making with their handwriting.

In Year 3, children are really enjoying their weekly violin lessons and we hope to be able to invite parents into school for a performance at the end of the Autumn Term.

Our wonderful Year 4 pupils represented the school at Jack Hunt on Thursday morning, joining with the other PKAT Trust schools who were saying goodbye and thank you to Ms Pamela Kilbey. The children sang and signed one of our school songs.

In Year 5, teachers are thrilled with the writing the children have produced this week using the book 'Egyptian Cinderella' as their starting point. They have also learnt about the importance of the River Nile to the Ancient Egyptians.

The causes of World War 2 has stimulated some fantastic discussions in Year 6. Linking to this theme, children have created emotive and detailed descriptions of WW2 battlefields.

We continue to be ambitious and proud of every child at Middleton and thank you for your continued support on their learning journey.

Have a wonderful weekend!

Mrs McGonigle
Headteacher

Best Class Attendance Award Cup

KS1 – Oberon (Year 1)

KS2 – Andromeda (Year 4)

Reminders

Please make sure you have signed up to your child's Class Dojo account. This allows you to celebrate your child's successes and find important information about their learning, PE days and homework. If you require any help doing this, please just ask your child's teacher
