## DEAR PARENTS AND CAREERS

What a very exciting and busy time we have had at Nova Primary Academy since returning after Easter.

The new signs are up and we hope you agree they look fantastic. The children look so smart in their uniform. Thank you for all your support in making the change from red to blue and we hope the new branded uniform every child received, made this easier.

Please remember that pupils should only come into school in their PE Kits on one day a week and they should wear their navy Nova t shirts or white polo shirts if they are in Year 6. On all other days, pupils should be in black shoes or trainers, dark trousers or skirts or a summer dress, white polo shirts and a navy sweatshirt or cardigan. Children should not be wearing hoodies in school.

As the hot weather approaches, children will need to come to school with sunscreen on and bring hats and water bottles.

This week, all year 6 pupils across the country have been sitting their SATs tests. Our pupils have shone this week with such a positive, resilient attitude during what can be a stressful week. They have been calm and purposeful and we are so proud of them.

EYFS had Farm on the Field today and had a wonderful time with the animals. This visit supports their current learning theme about farms and animals.

We have an ongoing STEM project taking place after school every Wednesday. Our pupils are taking part in building a full size kit car from recycled products, so that they can then take it to Goodwood Racecourse and race pupils from other schools across the UK, in their kit cars.

On Wednesday 24 May, Year 4 pupils from all 4 PKAT primary schools will meet at Nova Primary Academy to work together at a Twin Science Day. Selected Year 4 pupils will engage in STEM for sustainability, using specialist STEM kits.

Have a wonderful weekend everyone,

Mrs Sally Hudson  
Deputy Headteacher
