DEAR PARENTS AND CAREERS

On Wednesday 24 May, Year 4 pupils from all 4 PKAT primary schools worked together at Nova using electronic kits and computing skills to create moving vehicles. It was wonderful to see pupils engaging in STEM activities; problem solving, predicting and testing. There will be many more of these collaborative events in the future.

We met some lovely new families and saw plenty of familiar faces at the EYFS meeting. New starters could sample school lunches, explore the EYFS classroom and outside area and meet their new teachers.

Recent trips have been very successful. Year 5 were respectful, inquisitive and so well behaved on their recent visit to Peterborough Cathedral where they learnt about the history of Peterborough and the Cathedral itself.

Sailing, climbing and generally being super adventurous was the aim of the day for Year 6 at Grafham Water. Again behaviour was superb and the children really surprised themselves with how fearless they could be.

We had perfect weather for KS1 and KS2 Sports Days and it was lovely to welcome families to cheer on their children.

As the hot weather continues, children will need to come to school with sunscreen on and bring hats and water bottles. Please continue to support the school by sending children in their Nova Uniforms. Children should not wear jewellery apart from small ear studs or wear nail varnish.

There are lots of other exciting events coming up over the next term which are listed on page 2.

We hope you all have a wonderful half term and we look forward to welcoming everyone back to school for a happy and exciting final half term.

Mrs Sally Hudson
Deputy Headteacher
